Daylight
 See the dew on the sunflower
 And a rose that is fading
 Roses wither away
 Like the sunflower
 I yearn to turn my face to the dawn
 I am waiting for the day . . .

Midnight
 Not a sound from the pavement
 Has the moon lost her memory?
 She is smiling alone
 In the lamplight
 The withered leaves collect at my feet
 And the wind begins to moan

Memory
 All alone in the moonlight
 I can smile at the old days
 I was beautiful then
 I remember the time I knew what happiness was
 Let the memory live again

Every streetlamp
 Seems to beat a fatalistic warning
 Someone mutters
 And the streetlamp gutters
 And soon it will be morning

Daylight
 I must wait for the sunrise
 I must think of a new life
 And I musn't give in
 When the dawn comes
 Tonight will be a memory too
 And a new day will begin

Burnt out ends of smoky days
 The stale cold smell of morning
 The streetlamp dies, another night is over
 Another day is dawning

Touch me
 It's so easy to leave me
 All alone with the memory
 Of my days in the sun
 If you touch me
 You'll understand what happiness is

Look
 A new day has begun
